RE: Vehicle Storage

Dear Mr. Rae:

Your letter of January 23, 2009 has been forwarded to me for a response. As you know, this office represents the Park District of La Grange as its corporate attorney.

Your letter discusses allegations of boats and vehicles being stored in a Park District shed during the summer and fall of 2008. Actually, your correspondence notes you only once personally observed something in mid October, 2008 when you saw, "what appeared to be a pontoon boat" in a District maintenance shed at Gordon Park.

You brought this information to the attention of Mr. Dean Bissias, the Park District's Executive Director. Mr. Bissias and I, on behalf of the Park District, thank you for your information. The allegations have been investigated by the Park District and handled appropriately. It is not the Park District's policy to publicly report on the substance or result of such internal investigations.

To put this issue to rest, we would be happy to accompany you on a visit to the Gordon Park maintenance shed. If you wish to do so, please contact Mr. Bissias who can arrange the visit.

Finally, I also contacted Ms. Lynn McCarthy, an Assistant State's Attorney for Cook County. I advised her we had received your letter, that the matter had been handled and that if she has any further questions, she should feel free to contact me. I have not heard from her for several weeks.
